

Thank you for choosing our office. Our goal is to provide quality, comprehensive dental care services that will assist you in improving and maintaining your dental health. Please take a few moments to review our office financial policy.

As part of our service to you, we try to contain the ever-rising cost of health care by adhering to the following:

- PAYMENT: Payment in full is due at the time of service. We accept cash, check, Care Credit, and major credit cards.
  
- INSURANCE: Your insurance is a contract between you and your insurance company. As a service to you we are happy to file your insurance claim. However, your portion will be due at the time of service. If your insurance is with Delta Dental of California or Delta Dental of Arkansas, these companies no longer assign benefits to Dr. Bowcutt. We will be happy to file these claims for you however; your payment will be due at the time of service. And the insurance will reimburse you.

Should there be any concerns regarding the above, please let us know.
